ABOUT ME

Final-year B.Tech (CSE – Data Science) student seeking an entry-level role in Data Analytics or Technology support. Highly analytical, detail-oriented, and quick to learn new tools and processes. Skilled in Python-based data analysis, data tracking, reporting, and basic machine learning. Hands-on internship experience in Data Science and Machine Learning, with a strong interest in transforming data into meaningful insights and supporting data-driven decision-making.

EDUCATION

BHARAT INSTITUTE OF ENGINEERING
AND TECHNOLOGY (B.TECH)
Hyderabad
2022 – 2026

SREE VENKATESHWARA JUNIOR COLLEGE
(INTERMEDIATE)
Hyderabad
2020 – 2022

ST.MARY'S VIDHYANIKETAN HIGH
SCHOOL (SSC)
Hyderabad
2020

TECHNICAL SKILL

- Python (Data Analysis)
 - Data Cleaning & Preprocessing
 - Exploratory Data Analysis (EDA)
 - Basic Machine Learning (Regression, Classification)
 - Data Visualization
 - MS Excel (Data tracking, reporting)
 - Basic Statistics
-

PROJECTS

- YouTube Comment Sentiment Analysis: Developed an NLP solution using Python (NLTK) to classify comment sentiment and extract key insights from large-scale user engagement data.
 - Sentiment Analyzer for E-Consultation Feedback: Built a Machine Learning model to accurately classify user sentiment from consultation feedback; {3rd Prize Winner} at the SIH 2025 Internal Hackathon.
 - SPAM SMS Detection: Engineered a robust text classification model using Scikit-learn and TF-IDF feature engineering to achieve high recall in filtering malicious SMS.
 - OptiCodex – The NextGen Code Reviewer: Contributed to the development of a collaborative code review platform, applying principles of software development and version control.
 - And other projects.
-

SOFT SKILL

- FAST LEARNER, ORGANIZED, RELIABLE, TEAMWORK
 - ATTENTION TO DETAIL, ANALYTICAL THINKING, PROBLEM-SOLVING
 - EFFECTIVE COMMUNICATION AND COLLABORATION IN TEAM PROJECTS
-

ACCOMPLISHMENTS

- SMART INDIA HACKATHON (SIH) 2025 – INTERNAL HACKATHON WINNER (3RD PRIZE)
- MEDIUM BLOGGER – WRITES ARTICLES ON DATA SCIENCE & TECHNOLOGY
- PARTICIPATED IN MULTIPLE HACKATHONS AND TECHNICAL EVENTS

CERTIFICATIONS

- PYTHON FOR DATA ANALYST
- BASICS OF PYTHON
- SEO WRITING
- CODSOFT INTERNSHIP IN DATA SCIENCE
- CODSOFT INTERNSHIP IN MACHINE LEARNING
